

**Jennifer Stefanski,
Product Counsel,
SurveyMonkey Inc.**

Jennifer Stefanski serves as Product Counsel at SurveyMonkey, and previously held Product Counsel roles with PayPal and eBay. As Product Counsel, Jennifer works hand in hand with the product and technology teams, advising on consumer protection, privacy and regulatory issues. She began her career at Blank Rome, LLP as an associate in the Intellectual Property and Technology practice group. At Blank Rome, she counseled external clients on matters such as copyright, trademark, internet law, privacy, promotional and marketing matters, as well as negotiating software licenses and technology transfer agreements. She is a graduate of the University of Pittsburgh School of Law and Pennsylvania State University.
