

Mark Webber
US Managing Partner
Fieldfisher (Silicon Valley) LLP

Mark Webber is a US Managing Partner & Registered Foreign Legal Consultant with the European law firm Fieldfisher and is based full time in Silicon Valley. As a UK/European lawyer, his practice focuses on international technology and internet law. He is a leading privacy and regulatory specialist advising on EU based technology transactions, particularly those with a disruptive component. He advises where cloud, digital and online technologies converge and leverage IP and/or data.
