

## **Wendy Lim, Director & Associate General Counsel, Facebook Reality Labs**

Wendy leads a team of lawyers at Facebook Reality Labs who support the hardware engineering and supply chain teams responsible for building Facebook's cutting-edge AR/VR hardware products. Prior to Facebook, she was Chief of Staff at Intel's Virtual Reality, Gaming and Esports Group and has over two decades of experience working as an in-house product group counsel at Intel and in private practice. For over a decade, Wendy has been actively involved in organizations dedicated to accelerating the advance of women - she co-founded [Leading Women in Technology](#) and is a steering committee member of [ChiPs](#) Silicon Valley chapter and [Hipower](#).
